

Why Enact Partners?

WHAT WE DO BEST is provide quick access to capital with ease and certainty of close so borrowers can achieve their objectives.

We can fund quickly.

Speed matters. As a direct lender we are able to make funding decisions in-house.

We understand real estate. Not just lending.

Borrowers benefit from a lending team with deep experience in land-use, development and construction.

We are flexible and can finance complex projects.

Our lending guidelines allow us to provide financing where conventional lenders can't.

We are responsive to borrowers and brokers.

We are a boutique financing firm, enabling us to provide the personal care and attention borrowers deserve.

We have broad underwriting capabilities.

We are highly skilled and creative problem-solvers who are able to identify funding solutions that other lenders don't see.

We minimize red tape.

Our process is streamlined and designed to avoid unnecessary delays.

We provide transparency.

Borrowers and brokers have visibility and direct access to the decision-makers, providing clarity and certainty.
